What is the process of applying for an SBI Card? You can visit SBI Credit Cards page on YONO mobile App/ web Portal and you have three options for you to take you to apply journey. You can either accept the recommended card that is specifically recommended to you based on your spend pattern. You may use our simplifier to help you choose a card or straight away pick a card from the list of cards using 'browse cards'. When you decide on a card, you may apply for the card. Q4. How can I find out which SBI Card I am eligible for? Visit the 'Help me find the perfect card' section on YONO mobile App/ web Portal to find out which SBI Card will be best suited for you. The recommendation is based on your needs and spending patterns. Q5. I could not find my town or city name in the city dropdown menu in the online form. How can I apply? SBI Card serves in select locations across India through its online application service. If you do not see your city in the dropdown, please call SBI Card helpline at 39 02 02 02 (please prefix the STD code of your city) or visit your nearest SBI branch. Q6. What is the process of earning Reward Points on a card? How many points do I earn per transaction? The number of reward points earned per transaction depend on the type of card you own. To know the Reward Point offered by different cards, please visit the Rewards section of our sbicard.com website. Q7. How can I check the reward point balance? Once you link your card, you may visit the Credit Card section of the YONO mobile App/ web Portal for details of the reward points available on your card. Q8. How can I redeem the reward points on my card? There is a link available in the rewards section of Credit Cards section . Log on to YONO mobile App/ web Portal and visit the Reward section. You can choose amongst hundreds of products from our Reward Catalogue to redeem the reward points available on your card. Q9. Can I add the reward points I have on multiple cards or transfer them from one card account to another? No, you cannot add or transfer your Reward Points from one SBI Card to another. Reward points can be redeemed only on SBI Card on which they have been earned. Q10. Do the Reward Points accrued on my card expire? Yes, you can accumulate your points only for a period of 24 months from the date of the accrual under the Shop & Smile Rewards Program. Any points not redeemed by the end of the stipulated 24 months from the date of accrual will lapse. You can know the number of Reward Points that are expiring in a particular month by logging on to YONO mobile App/ web Portal. This information is also mentioned in your monthly statement. Q11. Can I redeem my reward points once my SBI Card is closed? No, you cannot redeem your reward points after the closure of your card account. Delinking Q1. Can I delink my cards from YONO mobile App/ web Portal? If you have your cards linked in the YONO mobile App/web Portal, you can see a link 'Delink SBI Credit Card'. Clicking on this button will prompt the customer that all credit card related information will be delinked from the system. Once he agrees the cards will be delinked from the YONO mobile App/ web Portal. Once delinked, he can link again if needed. Re-issue Q1. Can I reissue my card through the mobile App/ web Portal if I have not blocked the card through YONO mobile App/ web Portal? No. If you block a card in YONO mobile App/ web Portal, you can reissue in the app/Portal. If the card is not blocked in YONO mobile App/ web Portal, the customer may try to have his card reissued from SBI Cards website. Payment Q1. I have made payment towards my card outstanding through YONO mobile App/ web Portal but on 'My Relationships' it is still showing my billed amount. The payment made is reflected in your Card summary page when you click on the card number on 'My Relationships' page under 'My Credit Cards' section. The Total outstanding will be reduced to the extent payment is made. The available balance also increases accordingly. Q2. What is Total outstanding? Why do I see amount in Total outstanding even after I paid the billed amount on YONO mobile App/ web Portal? The Total outstanding is the total amount of billed and unbilled transactions. Billed amount constitutes of the payable amount as on latest statement date. Unbilled transactions are the transaction since the latest billing which constitutes the unbilled outstanding. Q3. Why am I not able to view the payment made in the transaction history just after my payment is done on YONO mobile App/ web Portal? How much time does it take to reflect in transaction history on YONO mobile App/ web Portal? The payment made and other unbilled transactions on YONO mobile App/ web Portal will appear in the transaction history post settlement of the file and this process takes from 2 to 5 days. Q4. I made a payment on YONO mobile App/ web Portal, however my outstanding has not decreased and available amount has not increased. In an unforeseen case of this event occurring, please check your debit account if the amount has been debited. Please note down the reference number from the narration. The transaction will automatically be posted in the next 24-48 hours and a confirmation from SBI Cards team is sent through SMS on mobile number which you have registered with SBI Cards. Q5. I made a transaction through SBI Card on YONO mobile App/ web portal but I can't find the transaction in the transaction history. All transactions are visible in the transaction history post settlement. So unbilled transactions take 24-48 hours to appear in the transaction history. The outstanding of unbilled however updates instantly and may be verified.
